Super Lawyers has named 35 Abrams Fensterman attorneys to the New York Super Lawyers and Rising Stars lists. The selections process involves creation of a candidate pool, evaluation of candidates by the Super Lawyers' research department and peer evaluation by practice area. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Super Lawyer is a distinction earned by only five percent of the lawyers in the New York area and Rising Stars is a distinction earned by only 2.5% of the lawyers in the New York area.

The objective of Super Lawyers is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel.
