
Jeffrey Cohen Helps Lead Support Effort for Israeli Kibbutzim

FEATURED ATTORNEY

Jeffrey A. Cohen

Of Counsel

AMNY.com highlighted efforts by Abrams Fensterman Of Counsel Attorney, [Jeffrey Cohen](#), to help establish an emergency fundraising drive aimed at assisting communities that are still struggling with basic necessities after the Hamas attacks on Israel on October 7, 2023.

“The fund has no administrative costs at all — every dime goes to the actual families... the actual victims’ families,” Cohen said. “Without any question about this, every dime, every sheckel goes to the victims who are being relocated. God knows how much they will need in the future.”

Cohen has a long history of supporting Israel. He volunteered with the Israel Defense Forces during the Yom Kippur War in 1973.

“With the recent death of my wife’s nephew in Kibbutz Beerli, and several old friends now held hostage in Gaza...the scope of horror for victims of these inhumane acts is unimaginable, and the worst is likely yet to come,” Cohen said.
