## Understanding Medicaid Community Based Services and Eligibility

- ❖ Medicaid covers Assisted Living and Home Health Care Services
- ❖ Applicants must be resource and income eligible
- ❖ Subject to 2.5 year Look Back-Period (probably) as of January 1, 2022
- ❖ Some transfers of assets are exempt, but many will trigger a period of ineligibility if made during the Look-Back period.
- ❖ To secure home care services, an applicant must require assistance with activities of daily living
- ❖ Planning in advance will provide the most protection, however Crisis planning options are available
