
Brooklyn Bar Association honors Howard Fensterman's significant impact on the Brooklyn legal community

FEATURED ATTORNEY

Howard Fensterman

Managing Partner

The Brooklyn Bar Association Foundation is set to honor our very own Howard Fensterman, alongside the esteemed Hon. Sylvia Hinds-Radix, at its prestigious annual Awards Dinner on Dec. 4.

The [Brooklyn Eagle](#) recently captured Mr. Fensterman's profound influence, stating, 'Howard Fensterman, the managing partner at Abrams Fensterman, has significantly influenced Brooklyn's legal landscape. The firm, co-founded by Fensterman in 2000 with just 13 attorneys, has grown to become Brooklyn's largest law firm. Beyond his legal achievements, Fensterman has been politically active, even playing a pivotal role in city politics and health care policies.'

The Brooklyn Eagle feature the event again on November 17, 2023 in the article "Boos and coast: BBA's spooky soirée scores big for charity". [Click here to read the full article.](#)

The event has been featured several times on the Brooklyn Eagle website:
