Topic: Returning to Work: What Employers Need to Know to Avoid Lawsuits & Penalties w/ Abrams Fensterman, LLP

With the “NY on Pause” order expired in most of New York State, certain businesses in some regions of our state are permitted to re-open. That is good news for everyone – employers and employees alike – but it also marks the start of a whole new business environment with rules that we have never had to deal with before. This webinar will walk you through some of the rule changes and enforcement efforts employers need to watch for to avoid liability when workers come back from closures.
