300 Forest Drive, Greenvale, NY 11548

Hosted by Gutterman's

Speaker: [Robert Abrams, Esq.](#)

Aging and Longevity Law

The Senior Umbrella Network is a multi-chapter organization of professionals from Long Island and the boroughs who serve the elder care and special needs communities. SUN provides an open forum for these professionals to network at a breakfast meeting on a monthly basis. Each chapter invites speakers regularly to provide useful information to members either for professional growth or to provide new resources for their clients.
