

## Physician's Money Digest – Roundtable: Impact of EHRs on Malpractice, Part V

### FEATURED ATTORNEY

---

**Michael S. Kelton**

Of Counsel

Three lawyers discuss how electronic health records will impact malpractice claims and change discovery during lawsuits.

[Michael Kelton, Esq.](#), a partner with Abrams Fensterman and director of the firm's [Medical Malpractice Defense Practice](#), explained that he believed EHRs affect the litigation of malpractice cases mostly through the discovery of metadata.
