

Seth Berman Featured in LIBN on AI Copyright Battles Shaping Entertainment Law

FEATURED ATTORNEY

Seth L. Berman

Partner

Abrams Fensterman, LLP is proud to announce that Partner **Seth Berman**, Director of the firm's **Entertainment Law and Intellectual Property** Practice Group, was prominently featured in *Long Island Business News*' recent article, "**AI Copyright Battles Shake Music and Entertainment Law.**"

The piece explores the evolving intersection of artificial intelligence, creativity, and copyright ownership — issues that are rapidly reshaping the music and entertainment industries. In the article, Berman addresses the complex legal questions emerging as AI tools are increasingly used to generate content.

"Every wave of technological change brings both challenges and opportunities. AI is no different. For artists and venues on Long Island, the legal questions it raises will define the industry's future." – **Seth Berman**

With a background that bridges creative and commercial industries, Berman brings a unique combination of strategic insight and legal precision to his practice. As an experienced commercial litigator, he represents businesses, entrepreneurs, and professionals across a wide range of industries in complex intellectual property, contractual, and business matters.

Abrams Fensterman's [business litigation](#) team advises clients ranging from global corporations to independent artists on copyright protection, trademark strategy, licensing, rights-of-publicity, and AI-driven IP issues. Berman's multidisciplinary approach protects creators, influencers, and businesses in an era of digital and AI innovation.
