FEATURED ATTORNEY

Howard Fensterman

Managing Partner

In the latest issue of the Long Island Press, Howard Fensterman, Managing Partner at Abrams Fensterman, LLP, makes a strong case for the return of Tom Suozzi to Congress following the unsettling revelations about George Santos. Fensterman calls out Santos for deceiving the voters of Long Island's Third Congressional District, labeling his actions as those of a "SERIAL liar" with a campaign built on falsehoods.

Fensterman concludes the article, "There will be no on-the-job training period for Suozzi when he returns to Washington. And there will be no need to introduce himself to the voters of the Third District. They know him. As he has said "he can do it, because he has done it"."
