Corporate & Securities Practice at Abrams Fensterman, LLP

At [Abrams Fensterman, LLP](#), our Corporate & Securities Practice is recognized for its depth of expertise in navigating complex mergers, acquisitions, and sophisticated business transactions across diverse industries. With a strong presence in the Tri-State region, we represent public and private entities, including startups, middle-market companies, and multinational corporations.

What distinguishes us is our strategic, solution-oriented approach—blending legal precision with business acumen to address immediate challenges while positioning our clients for long-term success. Our corporate attorneys are not only legal advisors but also trusted business partners, delivering customized, value-driven strategies that align with our clients' goals.

Comprehensive Legal & Business Advisory Services

Our team provides a full spectrum of corporate legal services, including:

- **Mergers & Acquisitions (M&A):** Handling transactions of various sizes, from strategic acquisitions and dispositions, to small and middle-market mergers, with a focus on structuring deals that maximize value and minimize risk. Drafting and negotiating Letters of Intent (LOI), Asset and Stock Purchase Agreements, Merger Agreements, Due Diligence Reports and Disclosure Schedules.
- **Private Equity & Venture Capital:** Advising on private equity transactions, venture capital investments, and alternative financing structures.
- **Securities Offerings & Compliance:** Assisting companies with domestic and international securities offerings, regulatory compliance, and corporate governance matters. Drafting Private Placement

Memorandums (PPM), Subscription Agreements, Equity/Debt Purchase Agreements, Loan Agreements and Promissory Notes.

- **Corporate Structuring & Governance:** Guiding businesses on entity formation, board governance, shareholder and members rights, and fiduciary responsibilities. Drafting Organizational documents, including Bylaws/Operating Agreements, Shareholder Agreements and Shareholder and Board Resolutions and Meeting Minutes.
- **Restructuring & Business Reorganizations:** Providing strategic counsel on business restructuring, asset sales, and financial turnarounds.
- **Transactional Planning:** Collaborating with tax counsel and accountants to structure transactions in a tax-efficient manner, working with global counsel to navigate cross-border deals, and partner with financial and business advisors to ensure comprehensive support for our clients.
- **General Corporate and Employment Agreements:** Negotiating and Drafting of all types of general corporate agreements including, but not limited to License Agreements, Supply and Distribution Agreements, Service Agreements, Master Services Agreements, Vendor Agreements, Employment Agreements, Non Disclosure and Non-compete Agreements, Severance Agreements, Consulting and Management Servicing Agreements, Commercial Lease Agreements and Real Property Purchase Agreements.

Industry Leading Experience

With extensive industry experience, our attorneys have successfully negotiated and closed transactions across a wide range of sectors, including, but not limited to:
