

Health Care Litigation

Health Care Litigation Attorneys

When a business or professional in the health care field becomes involved in a dispute, it is critical to enlist an attorney with experience resolving litigation in that particular field.

At the law firm of [Abrams Fensterman, LLP](#), we are considered the go-to law firm for the [medical community](#). We have built a record of success in the most complex types of health care litigation.

Handling All Types of Health Care Litigation

Our lawyers are available to represent physicians in disputes with hospitals, hospitals in disputes with pharmaceutical companies, medical practices in disputes with insurance companies, nursing homes in disputes with medical providers and more.

The types of health care litigation we handle include:

- Disputes among partners in a professional corporation (PC)
- Disputes over medical supply contracts
- Allegations of regulatory [compliance violations](#)
- Disputes over denied claims from [insurance companies](#)

We Know the Laws that Apply

Our attorneys have in-depth knowledge of health care regulations, public health laws and how they apply in a litigation setting. These matters cannot be handled in the same way as other business disputes.

We represent over 125 [nursing homes](#). We represent many physicians, medical societies, ambulatory surgery centers, diagnostic and treatment centers, hospitals, imaging facilities, and other health care providers. We know the health care industry and we know how to handle litigation within this industry. Our record of success is proof.
