

Health Care Mergers & Acquisitions

Health Care Mergers & Acquisitions Attorneys

Mergers and acquisitions of businesses require sophisticated knowledge of several different areas of the law, including corporate, tax, and labor law. When the business is a health care provider or supplier, an additional layer of complexity is added due to the uniqueness of the industry. While many industries are subject to significant government oversight, healthcare transactions often implicate complex civil and criminal statutes and regulations governing licensure, [fraud and abuse](#), reimbursement, patient privacy, and patient referrals.

At the law firm of [Abrams Fensterman, LLP](#), our combined knowledge of business law and [health law](#) allows us to be trusted advisors and ensure these transactions are successful and regulatory compliant.
