SECURING MAXIMUM HOME HEALTH CARE SERVICES

**Virtual
Program**

**Thursday,
February 10
@ 2:00PM**

Aging in place at home is a goal of many. Securing necessary services to realize this objective can present unforeseen challenges. This program will arm individuals with the tools necessary to overcome obstacles and maximize assistance. It will explore various funding sources and assets protection strategies for securing home health care services. Attorney Moriah Adamo will also provide advocacy tips to obtain sufficient resources to allow a safe transition to at home care.
